## Officer's Notes

A new band website is currently under construction. Check it out & watch for updates - [www.xeniaband.org](http://www.xeniaband.org)

We are currently looking for someone to take on the vacant Public Relations Chair position. If you are interested, please contact the band boosters via e-mail.

We are also preparing for our annual Magic Show. We need help in advertising, ticket sells, etc. Please contact Tom Gross via e-mail. The casual uniforms have

arrived. Students will be bringing them home soon.

Marching Band is over, but the band program and the band boosters still need your help. Please come to the next band booster meeting on Tuesday, January 8, 2008 in the XHS Band Room. There are many ways you can help...come and find out how.

## Director's Notes

Thanks to everyone! There are innumerable hours that go into each performance by every student in the program, as well the countless (and thankless) tasks performed by the band boosters. Your support through the first "half" of the year is incredibly appreciated!!

Please note the upcoming dates for the solo & ensemble festival (for those who have expressed an

interest.)

I look forward to the winter and spring months! Let's keep working and building for the future!

## Fundraising Notes

Winner of the Motorcycle was Dan Murphy from Coral Springs Florida. Dan is the Uncle of Max Gross who sold the winning ticket. Dan is a Xenia alumni and a Xenia Band Alumni. Tom and Blanche Gross are looking forward to making the trip to sunny Florida to deliver the bike.

Second place and winner of the beautiful handmade quilt was Bill Dean of Beavercreek. This ticket was sold by Emily Harkleroad. Bill attended the marching band concert at Faith Community Church to receive his blanket directly from Debbie King. Bill just moved back to Greene County after living in the Carolina's for over 20 years.

Fundraisers are important. And your help is needed. Do you know how much it costs to run a band program?

<b>Total Expenses</b>	<b>17,642</b>

Zap-A-Snack will be offered in the spring as a fundraiser. We will also be doing a motorcycle raffle again, starting in April and ending in November. Watch for updates.

## Color Guard Notes

Due to the lack of participation from all guard members I am sad to say that Xenia will not be participating in Winter Guard this year. We were supposed to perform at some of the basketball games but without the full participation it will not be done this year.

We will be starting clinics in late winter for anyone interested in learning to twirl rifle and/or saber. If you know of anyone who would just like to come out and see if they are just interested please pass this information on. We will be having the regular clinics and try-outs in the spring for flags. Our goal this year is to increase the squad to 16.
