

Xenia Band Boosters Communicator

February 2008

Volume 2, Issue 2

Fundraising Notes

There are many up and coming fund raising opportunities for EVERYONE. You only need to give a little time.

Starting in February there will be Zap-a-Snacks fundraiser. All profit that you earn goes towards current and future obligations. This is a great event for everyone to participate. Mrs. O'Callaghan will be getting more information to the students.

The Band and Guard will also be working toward increasing our general fund by participating in the All-Sport Auction on May 3. There is some work that EVERYONE needs to help with. Remember there is a trip coming up and it takes money. With a little work we could earn \$500.00.

We need to get donations and create baskets for this Auction. Further information will be coming. If you are interested in helping or know of people, organizations, or businesses that are willing to donate, please let me know ASAP!!!! E-mail me at adalex@att.net

The motorcycle raffle will be our big event this fall so get ready. The Band/Guard will be raffling a 1200 series Harley. We hope to start the Raffle in May 2008.

We are still working with the Athletic Department to get specific

dates for the baseball/softball games. In February I should have exact dates, unless they change games again.

It is better to give a little of your time and energy than to give out of your pocket!!!
